The *Hawaii Chapter of the Western States Auto Theft Investigators* (WSATI) will be hosting a one day class (two days for law enforcement) on *March 29<sup>th</sup>* (insurance and law enforcement) and *March 30<sup>th</sup>* (law enforcement only).

WSATI is a nonprofit organization that links the insurance industry and law enforcement to combat the auto theft problem.

This is a better way to keep everyone connected with law enforcement, government agencies and the insurance companies and partnership to combat the auto theft problem.

By staying connected with each other, we will be able to make a greater impact on the auto theft, fraud and related crimes. Auto Theft affects everyone state wide, and is the nexus for most of the property and drug crimes.

Remember law enforcement cannot win the battle alone.
