He is a certified DRE and DAR instructor and is a staff instructor for CNOA in the areas of DAR and Standardized Field Sobriety Testing Programs.

Description: With the ever increasing number of new and non-traditional drugs being imported, manufactured, and used in today's drug culture, law enforcement is tasked with keeping up with these emerging drug trends. The course will also discuss current trends in the club scene. **This unique class will be beneficial to all law enforcement officers regardless of assignment. This class is P.O.S.T. certified.**
