Lunch included.

Please provide your name, agency or company and contact details to NER by April 16.

Crime Prevention Program of Southern California, National Insurance Crime Bureau (NICB), FBI-LEEDA, and National Equipment Register (NER) invite you to participate in this one-day regional summit designed for:

- Law Enforcement
- Equipment Owners; Dealers or Rental
- Insurance Adjusters or Agents

General Session - examines the equipment theft problem, recovery challenges and solutions. By exploring the growing problem of construction and agricultural equipment theft, the challenges that hinder equipment recovery and the latest equipment security technologies, attendees will be better prepared to join the fight against equipment theft.

Break-out Classes - provide law enforcement with instruction in equipment identification training, while equipment owners and insurers explore theft prevention strategies and how to increase the chances of recovering stolen equipment.

Catered Lunch - gives equipment owners and law enforcement an opportunity to discuss issues of common interest and ways to support each other's efforts.

Registration is free for law enforcement, equipment owners and NICB or NER member insurers.
