

WESTERN STATES AUTO THEFT INVESTIGATORS NORTHERN CHAPTER - TRAINING DAY

Auto Theft Training for Patrol Officers and Theft Investigators

COURSE DESCRIPTION: Auto Theft Training from the Patrol and Investigative perspectives, what to do, what to look for, and how to proceed once you have a suspect(s). This course will cover the necessary steps needed to investigate trending auto theft crimes. The course will cover how to locate more stolen vehicles and trailers and will provide the steps of what to do once you have located it to make the arrest.

This year's hot topic of trailer thefts will be discussed and instruction given on how to easily identify a stolen trailer while on patrol.

Students will be instructed on the use of license plate reader technology and NICB's database ISO-Claimsearch to solve crimes, and how to decipher the common DMV paperwork associated with stolen vehicles.
