

Fatal Fire Investigations

(A Multi-Disciplinary Approach)

Dates: October 18th & 19th from 0800-1700

Location: Kingsburg Police Department Headquarters, 1300 California St. Kingsburg
R.S.V.P. with Jennifer Ellington, TCFD at 747-8233 ext. 215 or JEllington@co.tulare.ca.us

Instructors: Eric Emmanuele and Jeremy Davis

CVAI is proud to provide this course which is designed and intended to encourage and develop the relationship between Law Enforcement and Fire Personnel. Both entities bring specialized knowledge to fire investigation scenes with fatalities.

Eric is a Detective for the Milpitas Police Department. He has been a police officer since 1990, with experience as a Detective, K-9 handler, Field Training Officer, Special Investigations and Drug Recognition Expert. Eric currently holds a POST ICI Certificate in Robbery Investigations and is completing the coursework for ICI Certificates in Homicide and Arson. He currently conducts Fire Origin and Cause, Arson, and Explosion investigations. He is a Certified Fire Investigator (CFI) and Certified Evidence Collection Technician (ECT) with the International Association of Arson Investigators.

Jeremy is an Arson Investigator for the Santa Clara County Fire Department and a Level 1 Reserve Police Officer for the Campbell Police Department. He is a Certified Fire Investigator (CFI) with the State of California and California Conference of Arson Investigators. Jeremy is the president of the Santa Clara County Fire Investigation Task Force.

Eric and Jeremy are both on Staff for the San Luis Obispo Fire Investigations Strike Team's Forensic Fire Death Investigation Course and were on the initial investigations team for the San Bruno PGE Pipeline Explosion in 2010.
