# Street Racing AND MODIFIED EMISSIONS TRAINING

**Friday, October 24, 2014**  
**0800-1200**

*El Monte Police Department*

11333 Valley Blvd, El Monte, CA 91731

This is a 4-hour course taught by certified instructors from the regional Drag-Net Unit and the California Bureau of Automobile Repair (BAR)

This is a **NO COST** P.O.S.T. approved course for training points.

The following topics will be discussed:

- Investigating illegal street racing
- The street racing /vehicle theft connection
- Identifying illegal engine modifications
- Hands on experience inspecting illegally modified vehicles
- Updates on trends and new laws that apply to illegal street racing
  - Enforcement options and tactics

If you are interested in attending this course, e-mail  
Sgt. Jeff Higbee at [jhigbee@ontariopolice.org](mailto:jhigbee@ontariopolice.org) to reserve your spot.
