Street Racing AND MODIFIED EMISSIONS TRAINING

Friday, November 13, 2015
0800-1200

Fullerton PD

Fullerton Library Conference Center
353 W. Commonwealth Ave.
Fullerton, CA 92832

This is a 4-hour course taught by certified instructors from the regional Drag-Net Unit and the CA Bureau of Automobile Repair .

This is a **NO COST** P.O.S.T. approved course for training points.

The following topics will be discussed:

- Investigating illegal street racing
- The street racing /vehicle theft connection
- Identifying illegal engine modifications
- Hands on experience inspecting illegally modified vehicles
- Updates on trends and new laws that apply to illegal street racing
 - Enforcement options and tactics

If you are interested in attending this course, e-mail Sgt. Jeff Higbee at jhigbee@ontariopolice.org to reserve your spot.
