

January 11, 2012

The *Hawaii Chapter of the Western States Auto Theft Investigators* (WSATI) will be hosting a one day class (two days for law enforcement) on *March 29th* (insurance and law enforcement) and *March 30th* (law enforcement only).

WSATI is a nonprofit organization that links the insurance industry and law enforcement to combat the auto theft problem.

This is a better way to keep everyone connected with law enforcement, government agencies and the insurance companies and partnership to combat the auto theft problem.

By staying connected with each other, we will be able to make a greater impact on the auto theft, fraud and related crimes. Auto Theft affects everyone state wide, and is the nexus for most of the property and drug crimes.

Remember law enforcement cannot win the battle alone.

To sign up, click the below link below or cut and paste the link into your browser and enter your information. If you have trouble, please contact me at sslagle@nicb.org.
